"Monk" Brown, with several assistants, defeated Norwood yesterday by the score of 7 to 6. The game was a see-saw affair, first one side leading, then the other. But for the masterly twirling of "Monk" Brown the score might have been in Norwood's favor.

the Westmoreland will send its entire roster into the game, led by General McGuire and lieutenanted by Thomas Pinckney Bryan.

Remember the time and place and date: 4:15 o'clock, Broad Street Park, Friday, June 12. Come one, come all!

Mrs. C. P. Lee Is in charge, representing the Sheltering Arms Free Hospital, certainly one of the worthlest charities in Richmond. First edition films of the only moving picture ball players extant will be presented. Society, plus, will be there.

That's all.

The preliminary will start promptly at 8:30 o'clock with the big match following immediately. Unquestionably Donnelly has many supporters, and a delegation will come down from Charlottesville to cheer him on. Tickets are selling rapidly at McCoy's, Broad and Eighth Streets, and the prediction is made that a crowd as great as that which saw the Zbyszko-Roller go will be on hand.

Just as a matter of opinion I would far rather see Donnelly and Roller work than Zbyszko, assuming that both are in good condition. They will

unquestionably work faster, and they are just as unquestionably better matched. In addition, it is a real grudge match; Donnelly is good and sore at Roller, believing that the champlon has tried to dodge out of a bat-tle. Get an Irishman mad—but this is the end of this story. The answer will be given at the ball park Thursday night.
